WELCOME!

It is my honor to share with you the 2019-2020 Laughlin Chamber of Commerce Area Guide.

We love our visitors throughout the year. But we are more than just resort communities with a river running down the middle. We mean business! Our mission is to support our members and community by identifying and addressing the changing needs of our region – focusing on building a vibrant and prosperous resort town, increasing tourism, promoting recreation, educating our youth and business owners, and giving back to those in need. Our Laughlin Chamber is governed by the larger resorts, as well as small businesses from both Laughlin and neighboring jurisdictions.

That means that we are here to help support our existing businesses and encourage new business and growth, bringing dreams to life. That includes innovative services for members such as creative graphic design and assertive marketing.

In addition to the business side, the Chamber is a key promoter of the fun side of our unique community. We are the southern gateway to the Lake Mead National Recreation Area and Lake Mohave. You can find adventure, entertainment and recreation for all ages, along with accommodations and great food within a few minutes in three states, three counties and two time zones! We're quickly becoming a focal point for sports destination activities and "tournacations" (combining tournaments and mini-vacations). If you're into day trips for any kind of sports, we'll help you find off-road and street biking, water recreation, hiking, youth and adult tournaments, and much more.

If you're looking for something a little more permanent, our area has been recognized as the number one retirement community in Nevada (Laughlin) and the most affordable place to live in Arizona (Bullhead City). Museums and beautiful parks abound. Senior care, assisted living, 55+ active communities and adult sports tournaments are balanced by youth activities, more than two dozen schools, a college and a host of "grow your own" training and educational programs for students.

You can get here from just about anywhere. The Laughlin-Bullhead International Airport has charter and scheduled charter flights from 130 cities across the U.S. and Canada. Several interstate bus lines stop here. Amtrak has two stops less than 40 minutes away, with connecting shuttle service to and from Laughlin.

Do you prefer driving yourself? Whether you're visiting here, or already here, you're an hour away from Lake Havasu City, less than 100 miles from Las Vegas, 200 miles from the Grand Canyon, Palm Springs or Phoenix, and 300 miles from Los Angeles.

I have proudly called the Tri-State area and Colorado River region my home and workplace for 31 years. Come join me as a resident, a visitor or an entrepreneur in a business-friendly environment. Welcome to paradise in the desert!

Sincerely,

JACKIE MAZZEO

VOLUNTEERS IN PARTNERSHIP

The Volunteers In Partnership (VIP's), a subcommittee of the Laughlin chamber of Commerce, began in 2005 with 8 people looking for something to do. They offered their time and efforts to the Chamber and Laughlin Tourism Commission in any way that would be helpful. With the goal of helping both the growth of the community and the growth of tourism, the VIP's would help with events such as, Bull Riding Championships, Rodeos, Southern California Off Road Enthusiasts (S.C.O.R.E.), and Southern Nevada Off Road Enthusiasts (S.N.O.R.E.) off road racing events. At that time the extent of their help was selling beer for the promoters, and they were allowed to keep the tips for our donation fund. All funds that the VIP's collect are donated to Local Charities (excluding operating expenses).

In 2006 Judy Royer reorganized the group, which had increased to about 12. The group has continued to grow since then, and so have the opportunities for the VIP's. With membership numbers continuing to grow, they now stand at 90 strong. In any given year, the VIP's are involved in a wide variety of events. Always in attendance at Ribbon Cuttings for new and existing Chamber members, you will find VIP's at the Connie Davis 5K Walk & Roll for Cancer, Run Laughlin Half Marathon, 10K & 5K, Bullhead City Boom Box Parade, Clark County Parks & Recreation Egg Hunt and Fall Festival, the former Bullhead City/Laughlin River Regatta, Boys & Girls Club of the Colorado River events, Chef's Food Fest, Community Achievement Awards, selling water at Laughlin River Run, Southern Nevada Off Road Enthusiasts (S.N.O.R.E.) Races, UTV Championships, Best In The Desert Championship Races, and many, many more events throughout the year. They enjoy helping nonprofit entities succeed with their events, and help to make the events of

private entities succeed also, with the hope that others will want to come back to our community.

The VIP's are a unique array of people. Members are residents from Laughlin, Bullhead City, Fort Mohave, and other surrounding areas. There are full time residents and "snow birds" from all over the country (all of whom can hardly wait to come back when it cools off here!). VIP's are not "locked in" to a particular task, or certain hours each day; every event is different in requests. For the most part, the VIP's have all come here from other places and were looking for something to do. They enjoy meeting new people, learning more about the area and doing what they can to help. As VIP's they are able to have an enhanced understanding of how the community works and how they can work together for a common goal.

While being involved in all of these events, there arose opportunities for the VIP's to raise funds that would enable them to help local 501 (c) 3 charities with their causes. To date they have donated over \$45,000 to numerous charities, schools, and youth groups, in our Colorado River Region.

From "eating dirt" at the off-road races, to helping the children at the egg hunt, to donning their formal attire for the Community Achievement Awards, the VIP's are happy to do whatever is needed of them.

"The Volunteers In Partnership are extremely pleased to help so many organizations in the Colorado River Region. It is a wonderful feeling to know that we are able to give back to the area we love and now call home." – Joyce Moreno, VIP Liaison.

PARKS & RECREATION

The Colorado River Region offers a large variety of parks and recreation opportunities to interest all visitors. Camping, hiking, picnicking, splash pads and swimming are all available throughout the valley.

When you're ready to explore, there are many must-see locations that are perfect for day trips. Most people are surprised at the stunning beauty and education they find when exploring the outer areas of our Colorado River Region.

Laughlin may be situated in the middle of the Mojave Desert, but it is surrounded by many water recreation opportunities. With the Colorado River flowing by and Lake Mohave only minutes away, the hard part is deciding between fishing, boating, jet skiing, scuba diving, kayaking, canoeing or tubing.

A diverse group of cactus, trees, flowers and animals call the Mojave Desert home. Copious amounts of water in the desert

environment lend to a diverse population of furry, prickly, hardy and abundant wildlife.

Birdwatchers from across the globe flock to the Tri-state to observe the numerous species who call the vibrant river valley home, including bald eagles, thrashers, black tailed gnatcatchers, roadrunners, ospreys and falcons. Many only winter in the desert but several remain year round.

Birds aren't the only winged creatures calling the Tri-state home. Laughlin hosts 17 of the region's 28 bat species, including the Myotis Brown Bat, Spotted Bat and Townsend's Big-Eared Bat.

While in Laughlin also look for desert tortoise, beaver, big horn sheep, mountain lion, jack rabbit, badger, raccoon, fox, skunk, wild horse, wild burro, bobcat, gila monster, chuckwalla, sidewinder, Mojave rattlesnake, western diamondback, scorpion, tarantula, and horned lizard.

TELEPHONE COVE, NV SIDE

Coordinates: Latitude N 35.19254 - Longitude W 114.64002
Nevada Telephone Cove Road is a graded back road in the southern Lake Mead National Recreation Area near Laughlin. The road runs from Highway 163 to Nevada Telephone Cove, a scenic cove on the shore of Lake Mohave that offers fishing, free camping, and vault toilets. The unmarked turnoff is located on the North side of Hwy 163.

GRAPEVINE CANYON PETROGLYPHS TRAIL (CHRISTMAS TREE PASS)

Coordinates: Latitude N 35.26787 - Longitude W 114.87016
visitlaughlin.com/listing/christmas-tree-pass-grapevine-canyon-and-spirit-mountain/141761

The entrance to Christmas Tree Pass is located about seven miles west of Laughlin. The graded, dirt road of this pass runs through a ruggedly beautiful canyon rich with wildlife and petroglyphs. The canyon is part of Lake Mead National Recreation Area, and the trek via car from NV State 163 to NV State 95 takes about 45 minutes. About two miles in from 163, is an unmarked side road to Grapevine Canyon. The lush

plant growth in this canyon is in sharp contrast to the stark, surrounding hillsides. A short hike up Grapevine Canyon, visitors will find a small desert spring which flows almost year-round. This spring not only allows certain plants to grow here, but also provides a water source for bighorn sheep and other animals. The petroglyphs on the canyon's sheer rock walls also indicate the presence of ancient inhabitants as early as A.D. 1100. Spirit Mountain, the highest peak in the Newberry Mountain range, rises to an elevation of 5,639 feet and looms above the canyon. This mountain, considered the beginning of creation, is a sacred place to Indian tribes in Southern Nevada and has become the first Indian land in the state to be placed on the National Register of Historic Places.

ANDERSON FIELDHOUSE

If you've never heard of the term "tournacation," expect a new Tri-State area landmark near the banks of the Colorado River to help define it. The Anderson Auto Group Fieldhouse, owned and operated by the Colorado River Union High School District (CRUHSD), a Laughlin Chamber of Commerce member, is now open at the south end of Bullhead City, just west of State Highway 95 near the Mohave Crossroads Shopping Center.

It is a business and economic development driver. Two new businesses – one based in the Midwest and other in Arizona – have already opened new sites in close proximity to the Fieldhouse. And more are expected near this events facility that will benefit both sides of the River.

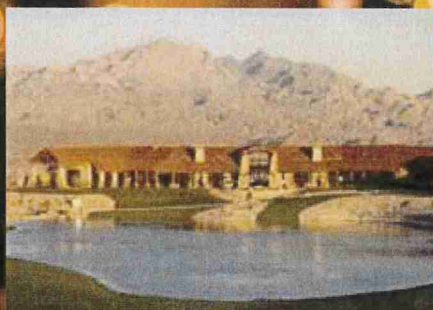

Built with a voter-approved school bond, the 122,000 square foot Fieldhouse will house many area sports programs, providing climate-controlled comfort for River Valley and Mohave High School athletes and spectators, especially during periods of excessive heat or inclement weather. A permanent Astroturf® floor is marked for regulation football and soccer fields. A removable turf cover can be added for conferences, graduations, trade shows, special events, car shows and even concerts. Basketball courts from powerhouses Syracuse and Texas Tech

Universities, as well as the Universities of Nevada and Illinois at Moline, can also be used for volleyball and pickleball games and tournaments.

Four classrooms with movable walls and fully-integrated audio-visual systems can be rented for meetings, workshops, wedding receptions, quinceañeras and even birthday parties. Just yards away is a commercial-grade kitchen.

How do these tie in to a "tournacation?" The term is relatively new and refers to people who turn a sports tournament into a long weekend or a mini-vacation. When not in use by CRUHSD, the Anderson Auto Group Fieldhouse is expected to host soccer, wrestling, football and other tournaments and camps, as well as commercial ventures. With so many things to do in the Tri-State area, and 10,000 nearby hotel rooms in Laughlin, Bullhead City and Needles, the Fieldhouse is envisioned to become a "tournacation" asset for the Tri-State area's growing sports tourism reputation.

To book the Anderson Auto Group Fieldhouse, or for more information, call 928-219-3030, email fieldhouse@crsk12.org, visit andersonautogrouppfieldhouse.com, or @andersonautogrouppfieldhouse on Facebook.

Don Laughlin

LAUGHLIN HISTORY

Along the banks of the Colorado River and nestled between surrounding majestic mountains, emerges the picturesque expanse named for gaming pioneer Don Laughlin.

Nearly 5 million annual visitors retreat to this desert oasis renowned for an expansive list of activities –including fishing, boating, water skiing, golf, camping and hiking. An average high temperature of 87 degrees Fahrenheit makes a perfect climate for enjoying all the outdoor activities available in Laughlin.

In 1966, the Riverside Resort opened and offered all-you-can-eat chicken dinners for 98 cents, 12 slot machines, two gaming tables, and accommodations that included a stay in one of the four rooms – the Laughlin family occupied the other four rooms.

Tri State eventually became the town of Laughlin, named for

its visionary Don Laughlin. The casino owner's surname was bestowed on the town when a U.S. Postal Service inspector insisted he give it a name in order to obtain mail. "I followed his advice," Don Laughlin says with a laugh. "He suggested 'Laughlin' because it was a good Irish name. His name was O'Neill."

A once barren desert terrain has become a modern boomtown ignited by the imagination of one man from a small farm near Owatonna, Minnesota. Despite his success, Don still maintains a personal connection to his customers and can often be seen talking to guests around the property.

Recipient of the first Laughlin Chamber of Commerce Community Lifetime Achievement Award for his visionary talents and the 1991 Gaming Hall of Fame inductee has made it clear in many ways that Laughlin, Nevada, is his home.

We are not just a casino, we are a tradition.
